Army Orders.—November, 1915.

A.O. 405 In order to ensure due diligence during the course of
1915 instruction marks will be awarded to each cadet by the
continued. Chief Instructors. These marks will be added to those
 obtained at the Army Entrance Examination and the
 aggregate will determine the order of precedence of
 cadets in each corps and in each branch of Royal
 Artillery.

*(This amendment will not affect cadets who enter the
 Royal Military Academy before 1st January, 1916.)*

Published on the 12th October, 1915.

A.O. 406. **V.—Gratuity to Officers.**—1. It has been decided that
1915. the gratuity provided in Article 497 of the Pay
 Warrant is issuable to retired officers re-employed,
 to officers of the Special Reserve, the Territorial Force,
 and the New Armies, and to officers holding temporary
 commissions generally, with certain exceptions speci-
 fied below.

 Gen. No.
 3501

2. The gratuity is not issuable to officers—

- (a) Re-employed before the war and who continue
 in their peace employment during the present
 emergency.
- (b) Granted commissions *pro forma*. These officers
 will normally fall also under category (d).
- (c) Serving under special contracts which provide
 for the issue of a gratuity. For transferred
 officers, *see* paragraph 3.
- (d) Not in receipt of Army rates of pay as laid down
 in the Pay Warrant.
- (e) Not in receipt of pay from Army funds.
- (f) Transferred to permanent commissions in the
 Regular Army.
- (g) Of the Unattached List, Territorial Force (service
 with the Officers Training Corps), who have
 been in receipt of Army rates of pay for a
 period of less than 9 months, whether con-
 tinuous or otherwise.

-
- (h) Selected for continuous service in the Royal Flying Corps. A.O. 406
1915
- (j) Who voluntarily resign their commissions or voluntarily revert to unemployment before the expiration of the period of emergency. continued.
- (k) Whose services are dispensed with for misconduct or inefficiency, or for other causes which, in the opinion of the Army Council, disqualify them from the grant of the gratuity.

Category (a) includes retired medical officers, retired recruiting officers, officers in record offices, &c., in receipt of consolidated rates of pay. Category (b) includes the War Department land agents and officials similarly situated, *acting chaplains employed at home, officials of the Government departments lent by their departments in their official capacity and granted commissions. Also officials of Board of Control—Poor Law Institutions who continue in their posts on the institutions being taken over for military purposes. Category (c) includes medical officers, veterinary officers and chaplains (including those of the Territorial Force not mobilized as such) serving under a contract. Category (d) includes dentists, acting paymasters, temporary inspectors of works, secretaries of Territorial Force County Associations, and engineers, surveyors, &c., employed with the Royal Engineers. Category (e) includes officers of the Red Cross Society, the Field Force canteens and similar organizations.

3. The gratuity is issuable on termination of service, and will be calculated at the rate of pay issuable on the last day of service. The period of service forming the basis of the gratuity will be confined to full pay service.

Officers of the Royal Army Medical Corps, Territorial Force, employed for alternate periods in Territorial Force General Hospitals will, for example, reckon only the actual periods of employment for which pay has been issued. Officers eligible for the gratuity under this Army Order who are transferred to posts held under contracts providing for a different rate of gratuity (*see* paragraph 2 (c)), and *vice versa*, will count the period of full pay service in the former capacity towards the gratuity earned in the latter capacity, the rate of gratuity being calculated in the latter capacity only.

4. The gratuity will be issued to officers, otherwise eligible, who, on account of ill-health relinquish their

* Separate instructions have been issued regarding acting chaplains.

Army Orders.—November, 1915.

A.O. 406 commissions or cease to be re-employed, provided that,
1915 if the disability which resulted in cessation of service
continued. was not caused in and by the performance of military
duty, not less than 6 months' service on full pay has
been rendered. Authority for payment will be given on
application to the War Office.

5. The gratuity is issuable to the estates of officers
who die while serving in the capacities referred to in
paragraph 1, subject to a deduction of any pay issued
beyond the date of death under the provisions of Army
Order 92 of 1915.

In all cases of deaths occurring after the 31st July,
1915, agents and paymasters issuing pay will prepare
Army Form W 3136 and transmit the completed form
to the War Office. No entries in agents' or paymasters'
accounts will be made in respect of the gratuities or any
refund of pay, the necessary adjustments being carried
out at the War Office.

6. The general issue will be made by agents and pay-
masters from whom officers last receive pay. Claims
will be preferred to such agents or paymasters by
officers on Army Form W 3136, which will be issued in
due course. In order to verify the period of service, it
will usually be necessary, when an officer has changed
the medium of payment since first employment, for the
claim to be transmitted to each paying authority from
whom he has received pay. The transmission will be
done by each paying authority in turn, when he receives
it and has inserted the particulars in his possession,
and the paying authority who last dealt with it will
return it duly completed to the agent or paymaster to
whom it was sent by the officer. The claim form will
provide for a declaration to be signed by the officer
when making the claim showing whether the officer
formerly retired with retired pay or a gratuity, and
this certificate will be accepted, subject to such veri-
fication as may be possible from the Quarterly Army
List, as determining whether the gratuity is issuable
under (a) or (b) of Article 497 of the Pay Warrant. In
the absence of further instructions to the contrary, the
gratuity of officers who retired with temporary retired
pay under Article 559 of the Pay Warrant will be
assessed under (a) of Article 497 of the Pay Warrant,
whether they are actually in receipt of the retired
pay or have ceased to draw it, on the date on which
the gratuity is payable.

7. The gratuity is subject to the payment of income
tax and should be classified to Vote 1 FF.

Army Orders.—November, 1915.

8. It is notified, for information, that in the case of **A.O. 406** temporary officers of the British service, Special **1915** Reserve and Territorial Force officers who have served *continued.* in India or elsewhere, where Indian rates of pay are drawn during the war the gratuity will be based on the British rate of pay of the appointment or rank held on cessation of service and not on the Indian rate.

With reference to the last paragraph of Army Order 307 of 1915, it has now been decided that the provisions of that Army Order may be extended, with effect from the 4th June, 1915, and for the period of the war, to similar officers serving at stations abroad, in cases in which quarters or hired accommodation suitable for the officer and his family are not already available.

It will be noted that this order authorizes the usual allowances only; accommodation will not be hired expressly for such cases.

A.O. 409. VIII.—Outfit Allowance.—To prevent misunderstanding it is notified that officers who, since mobilization have resigned their commissions, retired, been relegated to unemployment in the Reserve of Officers or the Territorial Force Reserve, or in any other way have ceased to serve, will not be entitled to any outfit grant should they again be employed during the present emergency.

Miscell.

Provided always that an officer who on or since mobilization became eligible for an outfit grant, and who has subsequently ceased to serve, shall if later on he is given an appointment carrying a higher rate of outfit grant than that assigned to his former appointment, be entitled to receive the difference between the two grants.

Benefit payable Abroad.—1. In order to avoid delay 1915.**

in the payment of maternity benefit to the wives of soldiers who are members of approved societies in those cases where a soldier's wife is abroad with her husband, it has been arranged with the National Health Insurance Commissioners that payment of maternity benefit shall be made abroad by the Army authorities instead of being claimed from the approved society as at present laid down in Army Order 94 of 1914, paragraph 4 of which is now *cancelled*.

2. Pending the revise of Army Form O 1834, the wife of the soldier will claim the benefit on Army Form O 1834 amended by—

(a) Substituting the name of the approved society for the words Navy and Army Insurance Fund where they occur in such form.

(b) Adding to Form A such particulars (*e.g.*, the soldier's number, and branch or lodge in his approved society), as would enable the approved society to identify the soldier member without difficulty.

3. Payments will be charged under the heading "N.H.I.C. Maternity Benefits Approved Societies" and will be supported by the suitably amended Army Forms O 1834 together with receipts for the amounts paid. The necessary accounting adjustment with the National Health Insurance Commission will be effected by the War Office.

The procedure in all other respects will be that laid down in Army Order 94 of 1914.

A.O. 412. 1915.	XI.—Equipment Ledgers for Territorial Force Units. —With reference to paragraph 5 of Army Order 307 of 1914, it has been decided that, in cases in which it is so desired by the unit concerned, the equipment ledgers for units of the Regular Army may be taken into use by Territorial Force units of the corresponding arms in place of the ledgers at present in use. Units which desire to make the change should do so as from 1st November, 1915, the date on which the ledgers for the current account period are due to be closed and sent to local auditors. Units formed after that date will have the option of using either the Territorial Force ledger or that used by a regular unit of the same arm.	9 Gen. No. 5562

Victoria Cross.—1. His Majesty the King has **A.O. 421.**
been graciously pleased to award the Victoria Cross **1915.**
to the undermentioned officer and man :—

Captain Percy Howard Hansen, Adjutant, 6th
(Service) Bn. The Lincolnshire Regiment.

For most conspicuous bravery on 9th August, 1915,
at Yilghin Burnu, Gallipoli Peninsula.

After the second capture of the "Green Knoll" his
battalion was forced to retire, leaving some wounded
behind, owing to the intense heat from the scrub which
had been set on fire.

When the retirement was effected Captain Hansen,
with three or four volunteers, on his own initiative,
dashed forward several times some 300 to 400 yards
over open ground into the scrub under a terrific fire,
and succeeded in rescuing from inevitable death by
burning no less than six wounded men.

No. 1300 Private Frederick William Owen Potts,
1/1st Berkshire Yeomanry, Territorial Force.

For most conspicuous bravery and devotion to a
wounded comrade in the Gallipoli Peninsula.

Although himself severely wounded in the thigh in
the attack on "Hill 70" on 21st August, 1915, he
remained out over 48 hours under the Turkish trenches
with a private of his regiment who was severely
wounded and unable to move, although he could
himself have returned to safety.

Army Orders.—November, 1915.

A.O. 421 Finally he fixed a shovel to the equipment of his
1915 wounded comrade, and, using this as a sledge, he
continued. dragged him back over 600 yards to our lines, though
fired at by the Turks on the way. He reached our
trenches at about 9.30 p.m. on 23rd August.

The foregoing appeared in the *London Gazette*, dated
1st October, 1915.

2. His Majesty the King has been pleased to award
the Victoria Cross to the undermentioned officers, non-
commissioned officers and men :—

Captain Alfred John Shout, 1st Bn. Australian
Imperial Force.

For most conspicuous bravery at Lone Pine trenches,
in the Gallipoli Peninsula.

On the morning of the 9th August, 1915, with a very
small party, Captain Shout charged down trenches
strongly occupied by the enemy, and personally threw
four bombs among them, killing eight and routing the
remainder.

In the afternoon of the same day, from the position
gained in the morning, he captured a further length of
trench under similar conditions, and continued per-
sonally to bomb the enemy at close range under very
heavy fire until he was severely wounded, losing his
right hand and left eye.

This most gallant officer has since succumbed to his
injuries.

Second Lieutenant William John Symons, 7th Bn.
Australian Imperial Force.

For most conspicuous bravery on the night of 8th—
9th August, 1915, at Lone Pine trenches, in the Gallipoli
Peninsula.

He was in command of the right section of the newly
captured trenches held by his battalion, and repelled
several counter-attacks with great coolness. At about
5 a.m. on 9th August a series of determined attacks
were made by the enemy on an isolated sap, and six
officers were in succession killed or severely wounded, a
portion of the sap being lost.

Lieutenant Symons then led a charge and retook the
sap, shooting two Turks with his revolver. The sap
was under hostile fire from three sides, and Lieutenant
Symons withdrew some 15 yards to a spot where some

Army Orders.—November, 1915.

overhead cover could be obtained, and in the face of heavy fire built up a sand barricade. The enemy succeeded in setting fire to the fascines and woodwork of the head-cover, but Lieutenant Symons extinguished the fire and rebuilt the barricade. A.O. 421
1915
continued.

His coolness and determination finally compelled the enemy to discontinue their attacks.

Captain Frederick Harold Tubb, 7th Bn. Australian Imperial Force.

For most conspicuous bravery and devotion to duty at Lone Pine trenches, in the Gallipoli Peninsula, on 9th August, 1915. In the early morning the enemy made a determined counter-attack on the centre of the newly captured trench held by Captain Tubb. They advanced up a sap and blew in a sandbag barricade, leaving only one foot of it standing, but Captain Tubb led his men back, repulsed the enemy, and rebuilt the barricade. Supported by strong bombing parties, the enemy succeeded in twice again blowing in the barricade, but on each occasion, Captain Tubb, although wounded in the head and arm, held his ground with the greatest coolness and rebuilt it, and finally succeeded in maintaining his position under very heavy bomb fire.

2nd Lieutenant Hugo Vivian Hope Throssell, 10th Light Horse Regiment, Australian Imperial Force.

For most conspicuous bravery and devotion to duty during operations on the Kaiakij Aghala (Hill 60) in the Gallipoli Peninsula on 29th and 30th August, 1915. Although severely wounded in several places during a counter-attack he refused to leave his post or to obtain medical assistance till all danger was passed, when he had his wounds dressed and returned to the firing line until ordered out of action by the Medical Officer.

By his personal courage and example he kept up the spirits of his party and was largely instrumental in saving the situation at a critical period.

No. 4/515 Corporal Cyril Royston Guyton Bassett, New Zealand Divisional Signal Company.

For most conspicuous bravery and devotion to duty on the Chunuk Bair ridge in the Gallipoli Peninsula on 7th August, 1915.

After the New Zealand Infantry Brigade had attacked and established itself on the ridge Corporal

Army Orders.—November, 1915.

A.O. 421 Basset, in full daylight and under a continuous and
1915 heavy fire, succeeded in laying a telephone line from
continued. the old position to the new one on Chunuk Bair. He
has subsequently been brought to notice for further
excellent and most gallant work connected with the
repair of telephone lines by day and night under
heavy fire.

No. 384 Corporal Alexander Stewart Burton, 7th
Bn. Australian Imperial Force; and

No. 2130 Corporal William Dunstan, 7th
Australian Imperial Force.

For most conspicuous bravery at Lone Pine trenches
in the Gallipoli Peninsula on the 9th August, 1915.

In the early morning the enemy made a determined
counter-attack on the centre of the newly captured
trench held by Captain Tubb, Corporals Burton and
Dunstan and a few men. They advanced up a sap
and blew in a sandbag barricade, leaving only one
foot of it standing, but Captain Tubb with the two
corporals repulsed the enemy and rebuilt the barricade.
Supported by strong bombing parties the enemy twice
again succeeded in blowing in the barricade, but on
each occasion they were repulsed and the barricade
rebuilt, although Captain Tubb was wounded in the
head and arm and Corporal Burton was killed by a
bomb while most gallantly building up the parapet
under a hail of bombs.

No. 943 Private John Hamilton, 3rd Bn. Australian
Imperial Force.

For most conspicuous bravery on 9th August, 1915,
in the Gallipoli Peninsula.

During a heavy bomb attack by the enemy on the
newly captured position at Lone Pine, Private Hamilton,
with utter disregard to personal safety, exposed himself
under heavy fire on the parapets, in order to secure a
better fire position against the enemy's bomb throwers.
His coolness and daring example had an immediate
effect. The defence was encouraged and the enemy
driven off with heavy loss.

No. 958 Private Leonard Keyzor, 1st Bn. Australian
Imperial Force.

For most conspicuous bravery and devotion to duty
at Lone Pine trenches in the Gallipoli Peninsula.

On 7th August, 1915, he was in a trench which was being heavily bombed by the enemy. He picked up two live bombs and threw them back at the enemy at great risk to his own life, and continued throwing bombs, although himself wounded, thereby saving a portion of the trench which it was most important to hold.

A.O. 421
1915
continued.

On 8th August, at the same place, Private Keyzor successfully bombed the enemy out of a position, from which a temporary mastery over his own trench had been obtained, and was again wounded. Although marked for hospital, he declined to leave, and volunteered to throw bombs for another company which had lost its bomb-throwers.

He continued to bomb the enemy till the situation was relieved.

Second Lieutenant Benjamin Handley Geary, 4th Bn. (attached 1st Bn.) The East Surrey Regiment.

For most conspicuous bravery and determination on Hill 60, near Ypres, on 20th and 21st April, 1915, when he held the left crater with his platoon, some men of the Bedfordshire Regiment and a few reinforcements who came up during the evening and night. The crater was first exposed to very heavy artillery fire, which broke down the defences, and afterwards throughout the night to repeated bomb attacks, which filled it with dead and wounded. Each attack was, however, repulsed, mainly owing to the splendid personal gallantry and example of Second Lieutenant Geary. At one time he used a rifle with great effect, at another threw hand grenades, and exposed himself with entire disregard to danger in order to see by the light of flares where the enemy were coming on. In the intervals between the attacks he spent his whole time arranging for the ammunition supply and for reinforcements. He was severely wounded just before daylight on 21st April.

The foregoing appeared in the *London Gazette*, dated 15th October, 1915.
